Sun Mobility Insurance and Claims Services Limited
Hong Kong

Dear Mr. Simon Chan & Mr. Richard Chan,

It is a privilege to congratulate Sun Mobility Insurance and Claims Services Limited (SMIC) on its Tenth Anniversary this year.

The Pioneer

Our customer experience with SMIC began in 2001 while at that time was known as Sun Hing Insurance Brokers Limited. Base on both Mr. Chan's vision, SMIC was given birth to provide a consolidated, one-stop risk management solution to our company, many other peers and stakeholders in logistics field both in Hong Kong and China.

Our Experience

Given the complexity of work flows and largely human actions involvement in every piece of our business, how do we have peace of mind? We have 100% peace of mind under the professional umbrella of SMIC. Preventive measures are surely much less costly than a real claim handing. Throughout the years, SMIC identified pitfalls and fine tuned our work flows to shape us to be genuine professional. Through in-house training sessions, public seminars, and over hundred episodes of Chans Advice, AE Cargo and the shipping public are thankful to both Mr. Chan's valuable experience sharing.

On behalf of AE Cargo Services Ltd., I would like to thank you again to all at SMIC and wish SMIC team many decades ahead.

Sincerely yours,

For and on behalf of
AE CARGO SERVICES LTD.
